

What is Métis Nation-Saskatchewan?

Métis Nation–Saskatchewan represents Métis citizens living in Saskatchewan. As such, the MN-S strives for the political, legal and constitutional recognition and guarantee of the rights of its People, including the right to a land and resource base, self-government and self-government institutions.

The MN-S exists in part to represent and work for Métis people in their quest for equitable, socio-economic development within the province of Saskatchewan. This includes but is not limited to:

- Advocating on behalf of Métis citizens
- Entering into agreements with industry and the federal and provincial governments
- Accessing resources to carry out projects and activities
- Acting as the administrative body for its citizenry
- Promoting health, education, and governance initiatives.

The role of Métis citizens in governance is to establish, amend and enforce the Métis Nation of Saskatchewan Constitution, to organize Métis citizens in their respective communities, and to participate in nation building in a good way. MN-S is divided into 12 regions.
